Rabbi Aryeh Kaplan was a world-famous Torah scholar, supporter of . Thus, the "Sefer Yetzirah" becomes an instruction for the very. "Sefer Yetzirah" is a book in which, for the first time in the history of mankind, the program of the universe is formulated and recorded. The Sefer Yetzirah contains a detailed description of the nine angelic worlds, which include over 70,000 created objects. The book provides a description of the structure of the nine heavens and nine hells, and also describes in detail the structure of the nine sacred cities, in which the nine Sephiroth are located. The book outlines the essence of all the processes taking place in the world.
